No reason
Do I have to reply you?

Hold on
Did you read the message I sent you?

I did!

大角虫漫画

Your childhood friend sent you a message.....
And you received it but chose not to reply.

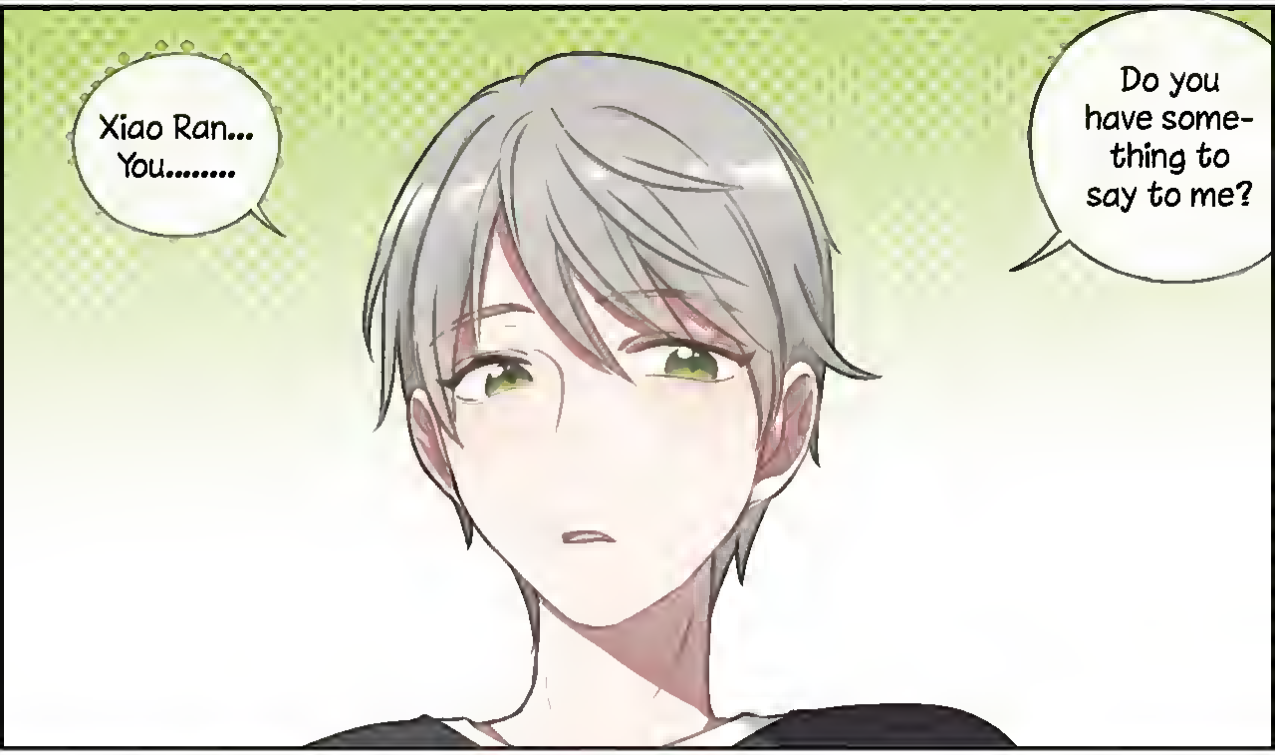
That's right
Your message was "What are you doing?"
I didn't even know what I was doing then
So what would I reply you?
Sigh~~
I understand

大角虫漫画

That's really weird
I also sent a message to Xiao Ran last night.
And.....

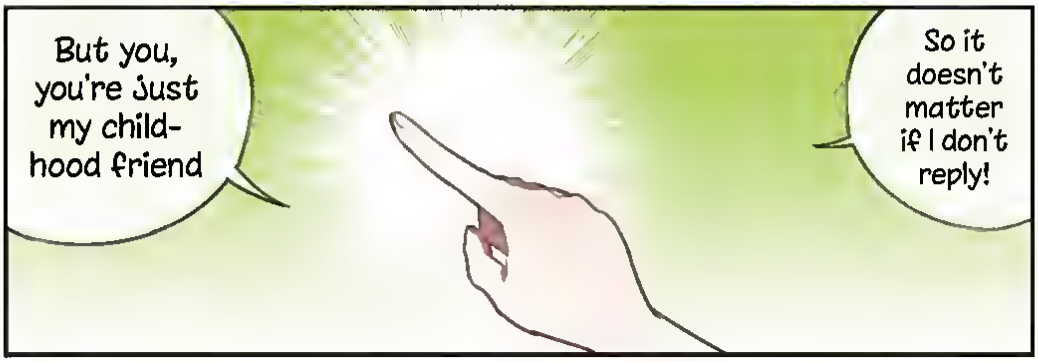
I asked her the same question "What are you doing?"
But, she replied me within 5 seconds.

大角虫漫画



Xiao Ran... You.....
Do you have some-thing to say to me?

What do I have to say?
Xiao You is my best friend
Of course I have to reply her quickly if she finds me



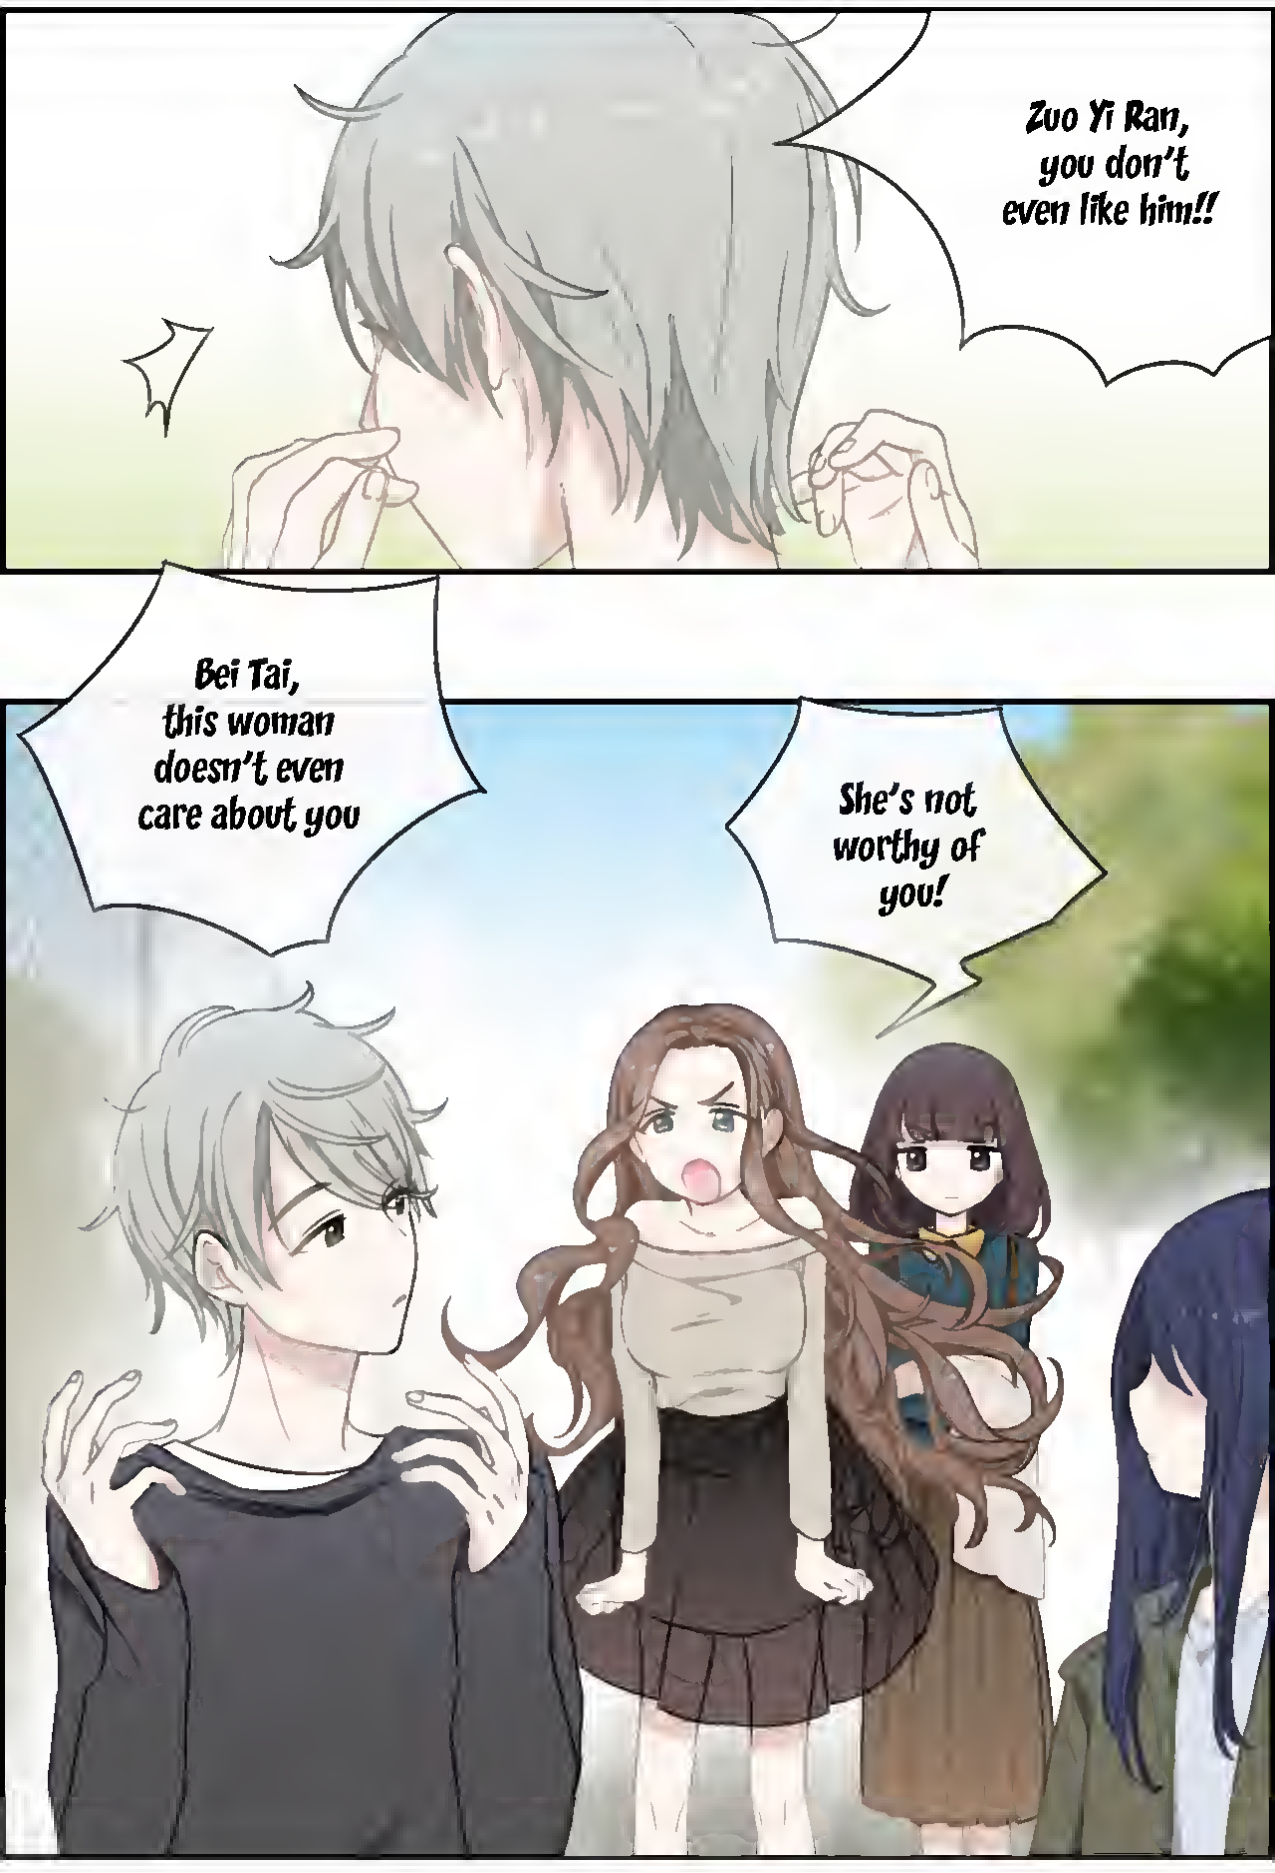
But you, you're just my child-hood friend
So it doesn't matter if I don't reply!

I see.....
Okay, I under-stand.

.....
Sorry, I actually still don't under-stand

Excuse me.....
Did I say something that I was not supposed to?

大角虫漫画



Zuo Yi Ran, you don't even like him!!
Bei Tai, this woman doesn't even care about you
She's not worthy of you!
